

Simplify the compliance process with the help of AAIS's **Compliance Guide...**

(formerly *State Filings Guide*)

a comprehensive resource tool combining the latest information on compliance and filing requirements for forms, rules, and rating information in all states.

Invaluable components of the *Compliance Guide*—

- Summary of state filings requirements for personal and commercial lines
- Review Standards Checklist, provides state specific website addresses to access checklists to determine which states require checklist(s) with filings.
- Listing of states which have adopted the NAIC Policy Coding Matrix
- Filing requirements and citations for umbrella policies
- Lists of filing transmittals and filing fees
- Company action needed to implement AAIS filings
- Readability guidelines
- Filing guidelines for dec pages, policy jackets, applications, binders and certificates
- Summary of state criteria for exempt commercial policyholders
- Directory of insurance departments, satellite offices, and Web addresses, with Insurance Commissioners appointed versus elected status noted
- Guidelines for filing traditionally "nonfiled" inland marine forms
- State specific SERFF requirements
- Filing requirements for Loss Estimates Supplement

The guide is distributed annually free of charge to AAIS affiliates, and is available online through the *AAISdirect* Internet service.
