## GEORGIA

### NON-CERTIFIED TERRORISM ENDORSEMENTS AND MANUAL RULES DISAPPROVED

Reference Bulletin 03-0368

The non-certified terrorism endorsements and manual rules that were filed in Georgia with a proposed effective date of **January 1, 2004** have been formally disapproved by the Department of Insurance.

## BACKGROUND

In Reference Bulletin 03-0368, we indicated that the Georgia Insurance Department was receptive to the idea of reviewing non-certified terrorism filings. Thus, on September 12, 2003, AAIS submitted first-time filings of our non-certified terrorism exclusion endorsements and rule supplement pages. However, since that time, we have been notified by the Department that a decision not to approve non-certified terrorism exclusion endorsements has now been made.

As a result, AAIS does not contemplate any additional filing action in Georgia at this time.
