**CONNECTICUT
NON-CERTIFIED TERRORISM FILINGS APPROVED**
Reference Bulletin 03-0117

The multistate **12 02** non-certified terrorism exclusion endorsements and manual supplement pages described in Bulletin 03-0117 have now been approved in the state of Connecticut. The AAIS web site posting located at <http://www.aaisonline.com/terrorism/StateAction.html> has been updated accordingly.

BACKGROUND

The non-certified terrorism exclusion endorsement and rule filings submitted by AAIS in early 2003 were formally approved by the Connecticut Insurance Department on February 10, 2004. As the Department did not require the effective dates that were originally requested to be advanced, companies may proceed with implementation of the endorsements and supplement and any corresponding company action that may be required, effective immediately.
