POLICYHOLDER DISCLOSURE - TERRORISM PREMIUM NOTICE

Your policy contains coverage for certain losses caused by terrorism. We are required to notify you of the portion of the premium, if any, attributable to the coverage for terrorist acts certified under the Terrorism Risk Insurance Act of 2002. The Act also requires us to provide disclosure of Federal participation in payment of terrorism losses. For a further description of an act of terrorism as provided under the Act, see below.

You should know that effective November 26, 2002, under your policy, any losses caused by certified acts of terrorism would be partially reimbursed by the United States Government, Department of Treasury, under a formula established by federal law. Under this formula, the United States pays 90% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is shown below; it does not include any charges for the portion of loss covered by the federal government under the act.

The portion of your premium that is attributable to coverage for terrorist acts certified under the Act is
\$_____.

The following excerpt from the Act is provided for your information:

According to Section 102(1) of the Terrorism Risk Insurance Act of 2002, "The term "act of terrorism " means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States ---- (i) to be an act of terrorism; (ii) to be a violent act or an act that is dangerous to (I) human life; (II) property; or (III) infrastructure; (iii) to have resulted in damage within the United States, or outside the United States in the case of (I) an air carrier or vessel described in paragraph (5)(B); or (II) the premises of a United States mission; and (iv) to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United states or to influence the policy or affect the conduct of the United States Government by coercion." Section 102(1)(B) states, "No act shall be certified by the Secretary as an act of terrorism if (I) the act is committed as part of the course of war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers' compensation; or (ii) property and casualty insurance losses resulting from the act, in the aggregate, do not exceed \$5,000,000." Section 102(1)(C) and (D) specify that the determinations are final and not subject to judicial review and that the Secretary of the Treasury cannot delegate the determination to anyone.
