

## CERTIFIED TERRORISM LOSS

1. The following definitions are added to the Definitions section of the Farm Coverage "terms". When this policy includes Liability Coverage "terms", the following definitions are also added to the Definitions section of those "terms".
  - a. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States:
    - 1) to be an act of terrorism;
    - 2) to be a violent act or an act that is dangerous to human life, property, or infrastructure;
    - 3) to have resulted in damage:
      - a) within the United States; or
      - b) to an air carrier (as defined in section 40102 of title 49, United States Code); to a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or at the premises of any United States mission; and
    - 4) to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
  - b. "Certified terrorism loss" means loss that results from a "certified act of terrorism".
2. The following provisions are added under the Farm Coverage "terms". When this policy includes Liability Coverage "terms", the following provisions are also added under those "terms".
  - a. If the Secretary of the Treasury determines that the amount of "certified terrorism loss" has exceeded the maximum annual liability as set forth by the Federal Terrorism Risk Insurance Act of 2002 or any amendments thereto, and "we" have met "our" deductible requirements as specified by that Act, "we" will not pay for any portion of "certified terrorism loss" that exceeds the maximum annual liability.

With respect to the Farm Coverage "terms", this provision does not apply to "livestock", poultry, or other covered animals or unharvested crops.

With respect to the Liability Coverage "terms":

    - 1) When this policy includes form GL-2 or GL 0002, the "terms" of this provision apply only to liability arising out of "farming" or the activities related to a "business" of any "insured".

- 2) When this policy includes form GL-610 or GL 0610, the "terms" of this provision do not apply to liability arising out of the "insured's" personal or non-business activities when coverage for such activities is added to this policy by endorsement.
- b. Neither the "terms" of this endorsement nor the "terms" of any other terrorism endorsement attached to this policy provide coverage for any loss that would otherwise be excluded by this policy under exclusions that address war, military action, or nuclear hazard or any other exclusion.
- c. The absence of any other terrorism endorsement does not imply coverage for any loss that would otherwise be excluded by this policy under exclusions that address war, military action, or nuclear hazard or any other exclusion.
