

## NUCLEAR, BIOLOGICAL, AND CHEMICAL NON-CERTIFIED ACT OF TERRORISM EXCLUSION AND WAR AND MILITARY ACTION EXCLUSION

1. The following definitions are added.
  - a. "Non-certified act of terrorism" means a violent act or an act that is dangerous to human life, property, or infrastructure that:
    - 1) is committed by an individual or individuals; and
    - 2) appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion; and
    - 3) is not certified as a terrorist act pursuant to the Federal Terrorism Risk Insurance Act of 2002 or any amendments thereto.
  - b. "Non-certified terrorism loss" means any loss that results from a "non-certified act of terrorism".
2. The exclusion relating to injury or damage that arises out of war is deleted and replaced by the following:

### WAR AND MILITARY ACTION EXCLUSION

"We" will not pay for any injury or damage caused directly or indirectly by the following. Such injury or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

- a. War, including undeclared or civil war; or
- b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign, or other authority using military personnel or other agents; or

- c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.
3. The following Non-certified Act of Terrorism Exclusion is added. The Non-certified Act of Terrorism Exclusion applies only to any incident of "non-certified terrorism loss":
    - a. that involves the use, release, or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
    - b. that is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
    - c. in which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

However, the Non-certified Act of Terrorism Exclusion does not apply to any loss that results from an act that is not certified by the Secretary of the Treasury to be an act of terrorism solely because the property and casualty insurance losses resulting from that act do not exceed \$5,000,000 in the aggregate.

### NON-CERTIFIED ACT OF TERRORISM EXCLUSION

"We" will not pay for any injury or damage caused directly or indirectly by a "non-certified act of terrorism", including action in hindering or defending against an actual or expected "non-certified act of terrorism". Such injury or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the injury or damage.

4. The following provision is added.

In the event of any incident of a "non-certified act of terrorism" that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Coverage Part.
