

MODERN ADVISORY SOLUTIONS

FARMOWNERS

For carriers looking for a package solution for small to medium sized farm operations in a simplified policy structure, AAIS delivers a combined property and liability program that covers personal and commercial farm exposures. Forms and carrier endorsements allow programs to be tailored to fit the carrier's appetite.

The **AAIS Farmowners Program** provides:

- A streamlined solution for the farm-ag market.
- Both personal liability and farm commercial liability coverage allow for flexibility of exposure coverage.
- Options to include incidental commercial agribusiness. Including home based business and agritainment.
- Over 100 endorsements to address a variety of property and liability coverage needs.

Hi-Tech Delivery

- Online delivery of policy forms and manuals.
- A full complement of web-based program tools to train your teams.
- Technology consultants, like Marias Technology, help carriers understand their needs and align solutions to strengthen efficiency and effectiveness in implementation.
- Product implementation of technical assets.

Dedicated Service

- AAIS Advisors stand ready to respond to inquiries.
- Our dedicated compliance team tracks state-level jurisdictional activities from start to law, and provides speedy product updates and filings to help carriers stay compliant.
- Dedicated onboarding specialist.
- AAIS will provide preview, side-by-sides, and other onboarding services for prospects.
- Ongoing communication and knowledge sharing in bulletins, advisory and other expert exchanges.
- Tailored solutions for custom product development providing carriers compelling, unique program offerings.

- Initial filing adoption of standard AAIS products in all states where the carrier will write business.
- Relieve carriers of statistical reporting burden so they focus on their core business operations.

AAIS DELIVERS A COMBINED PROPERTY AND LIABILITY PROGRAM THAT COVERS PERSONAL AND COMMERCIAL FARM EXPOSURES, AND CAN BE TAILORED A CARRIER'S APPETITE.

Casey Davis, CPCU, AFIS, ARc
Farm & Agribusiness
Product Manager
caseyd@AAISonline.com

As the Farm & Agribusiness Product Manager for AAIS, Casey is responsible for business strategy, market analysis, product design, and member support for a suite of insurance products. She works collaboratively across the organization and with outside partners to ensure innovative solutions to members that are designed for ease of implementation and sustainability.

Prior to joining AAIS in April 2022, Casey had more than 20 years of property and casualty insurance experience. She served in actuarial, product development, and leadership roles on the carrier side where her concentration was primarily on the Farmowners, Homeowners, and Auto lines of business. Casey holds the Chartered Property Casualty Underwriter, Agriculture and Farming Insurance Specialist, and Associate in Reinsurance designations. She earned her bachelor's degree in Actuarial Science from the University of Central Oklahoma.
