COMMERCIAL OUTPUT PROGRAM

For insurance carriers seeking a comprehensive program for writing and rating large-to medium-size, multilocation commercial property risks, AAIS delivers a highly regarded program that includes built-in commercial property and inland marine coverages and flexible rating procedures to rate each risk individually.

The **AAIS Commercial Output Program (COP)** provides:

- Open perils building and personal property coverage.
- Coverage for buildings under construction.
- A choice between blanket or scheduled coverage, or a combination of the two.
- Business income, equipment breakdown and spoilage options.
- Coverage for mobile equipment throughout territory.
- Built-in coverage extensions and supplemental coverages for rewards, brands and labels, consequential loss, and inventory and appraisals.
- Built-in coverages for accounts receivables, property in transit, property on exhibit, sales representative samples, fine arts, and valuable papers.
- Built-in computer coverages including virus and hacking and software storage.
- Discovery and loss sustained crime coverage options.
- Green coverage options.
- A flexible, deficiency point rating methodology underwriters can use to reflect relevant risk characteristics.

AAIS'S COMMERCIAL OUTPUT
PROGRAM INCLUDES COMMERCIAL
PROPERTY AND INLAND MARINE
COVERAGES WITH FLEXIBLE
RATING PROCEDURES.
