

MODERN ADVISORY SOLUTIONS

WATERCRAFT

For companies looking to write boat and yacht coverage as a specialty carrier, or watercraft as a component of a comprehensive product suite, AAIS delivers complete Boatowners and Yacht programs that include forms and endorsements, rules and factors, and loss costs.

Whether looking to insure a small fishing boat, a weekend cruiser or a commercial yacht, the AAIS Watercraft program has the flexibility to handle nearly all watercraft.”

The **AAIS Watercraft Program** provides:

- Tailored solutions for Boatowners and Yacht.
- Comprehensive sets of forms and endorsements.
- Complete manual rules, factors, and loss costs.
- Compliance with state laws, rules, and regulations.

Hi-Tech Delivery

- AAIS rating algorithms are easily programmed.

Dedicated Service

- For companies who wish to insure personal watercraft on an accommodation, the AAIS Watercraft can be easily integrated with the AAIS Homeowners product.
- AAIS provides onboarding support as a roadmap for successful conversion to the AAIS program, while considering the Member’s current system.

THE AAIS WATERCRAFT PROGRAM SUPPORTS CARRIERS LOOKING TO WRITE BOAT AND YACHT COVERAGE AS A SPECIALTY CARRIER, AS A COMPONENT OF A COMPREHENSIVE PRODUCT SUITE.
