

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA**

CASE NO. _____

GO-4 NUGE PRODUCTION
RENTALS LLC,

Plaintiff,

CLASS ACTION

v.

JURY DEMAND

THE HARTFORD FINANCIAL
SERVICES GROUP, INC.,
HARTFORD FIRE INSURANCE COMPANY, and
HARTFORD INSURANCE COMPANY
OF THE MIDWEST,

Defendants.

CLASS ACTION COMPLAINT

Plaintiff GO-4 NUGE Production Rentals LLC (“GO-4 NUGE” or “Plaintiff”), on behalf of itself and all others similarly situated, states as follows for its Complaint against Defendants, The Hartford Financial Services Group, Inc. (“the Hartford”) and Hartford Fire Insurance Company (“Hartford Fire”) and Hartford Insurance Company of the Midwest (“Hartford Insurance”) (together, “Defendants”).

INTRODUCTION

1. This is a class action brought by Plaintiff GO-4 NUGE against Defendants the Hartford, Hartford Fire, and Hartford Insurance related to insurance policies that insure Plaintiff’s properties, business operations, and potential liability in connection with Plaintiff’s business operations. These insurance policies include Business Income coverage, Extra Expense coverage,

coverage for loss due to the actions of a Civil Authority, and Business Income from Dependent Properties, and contains no relevant virus exclusion.

2. Plaintiff is a small business that purchased Defendants' insurance policy and made premium payments for a policy that, in the event of a catastrophe requiring a shutdown of business operations, would require Defendants to honor their contractual obligation to provide coverage. In March 2020, such a catastrophe took place when Plaintiff was forced to close its rental business due to the COVID-19 pandemic. All across the country, including in Florida, government authorities issued closure orders to businesses, including the businesses operated by GO-4 NUGE, in an effort to stop the rapid spread of the deadly COVID-19 virus. Orders from Civil Authorities requiring businesses to close have resulted in massive losses to businesses throughout the country. As a result, many insureds, including Plaintiff, filed claims for Business Income coverage, Extra Expense coverage, coverage for losses due to the actions of a Civil Authority, and Business Income from Dependent Properties.

3. In response to the business interruption claims filed by Plaintiff and thousands of other class members resulting from the COVID-19 pandemic, Defendants have systematically denied and continue to deny and refuse to provide payment for insurance claims for coverage for similar losses and expenses by insureds holding policies that are, in all material respects, identical. Defendants' decision to not provide coverage and/or its decision to refuse to pay claims under the common policy forms issued to Plaintiff and the putative class members constitutes a breach of contract and provides them with the right to seek a declaratory judgment pursuant to 28 U.S.C. § 2201(a) on behalf of itself and the class members establishing that they are entitled to receive the benefit of the insurance coverage it purchased and for indemnification of the businesses losses it has sustained.

PARTIES, JURISDICTION AND VENUE

4. Plaintiff GO-4 NUGE is a limited liability company organized under Washington law with its principal place of business located at 9205 14th Avenue NW, Seattle, Washington 98117-2307. GO-4 NUGE operates a company that rents entertainment equipment. One or more of the members of GO-4 NUGE are citizens of Washington.

5. Defendant the Hartford is a Connecticut business corporation with its principal place of business in Hartford, Connecticut. The Hartford is an insurance company engaged in the business of selling insurance contracts to commercial entities such as Plaintiff in Washington, and in all fifty states, including in states like Florida, and including by and through its wholly-owned subsidiaries.

6. Defendant Hartford Fire is a Connecticut corporation with its principal place of business in Hartford, Connecticut. Defendant Hartford Fire is a wholly-owned subsidiary of Defendant the Hartford.

7. Defendant Hartford Insurance is a Connecticut corporation with its principal place of business in Hartford, Connecticut. Defendant Hartford Insurance is a wholly-owned subsidiary of Defendant the Hartford.

8. At all times material, Defendants engaged in substantial and not isolated activity on a continuous and systematic basis in the state of Florida by issuing and selling insurance policies in Florida and by contracting to insure property located in Florida.

9. This Court has subject matter jurisdiction over this action under 28 U.S.C. § 1332(a) because it involves citizens of different states and the amount in controversy exceeds \$75,000.

10. This Court has subject matter jurisdiction under 28 U.S.C. § 1332(d) because there is diversity between Defendants and at least one member of each class; there are more than one hundred members of each class; and the amount in controversy exceeds \$5,000,000 exclusive of interest and costs. This Court also has subject matter jurisdiction under 28 U.S.C. §§ 2201 and 2202 and is authorized to grant declaratory relief under these statutes.

11. Venue is proper in this district pursuant to 28 U.S.C. § 1391(b)(2) because a substantial part of the events and/or omissions giving rise to the claim occurred in this district and/or a substantial party of the property that is the subject of the action is situated in this district.

12. This Court has personal jurisdiction over Defendants because Plaintiff's claims arise out of, among other things, Defendants conducting, engaging in, and/or carrying on business in Florida; Defendants breaching a contract in this state by failing to perform acts required by contract to be performed in this state; and Defendants contracting to insure property in Florida. Defendants also purposefully availed themselves of the opportunity of conducting activities in the state of Florida by marketing their insurance policies and services within the state, and intentionally developing relationships with brokers, agents, and customers within the state to insure property within the state, all of which resulted in the policy at issue in this action.

FACTUAL BACKGROUND

A. Insurance Coverage

13. On or about January 1, 2020, GO-4 NUGE renewed the Policy, a property insurance policy issued and underwritten by Defendants. The insured premises under the policy is 9205 14th Avenue NW, Seattle, Washington 98117-2307. A copy of the GO-4 NUGE Policy is attached as Exhibit A.

14. The Policy uses standard common forms that contain the same and/or substantially similar provisions at issue in this action as those issues by Defendants to the members of the putative class as defined herein.

15. The Policy is an all-risk insurance policy. In an all-risk insurance policy, all risks of loss are covered unless they are specifically excluded.

16. In accordance with the all-risk nature of the Policy, Defendants agreed to pay for all losses caused by a “Covered Cause of Loss,” defined as ‘RISKS OF DIRECT PHYSICAL LOSS’ unless the loss is excluded or limited in the Policy.

17. One type of coverage provided by the Policy is for loss of business income, often called business interruption insurance. This coverage is specifically provided for in a section of the Policy titled “Business Income.”

18. Pursuant to this coverage, Defendants promised to pay for “Loss of Business Income” caused by a Covered Cause of Loss. Specifically, Defendants promised to pay for the “actual loss of Business Income you sustain due to the necessary suspension of your ‘operations’ during the ‘period of restoration.’”

19. The Policy defines “Business Income” as “(a) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no direct physical loss or physical damage had occurred; and (b) Continuing normal operating expenses incurred, including payroll.”

20. “Suspension” means, among other things, “(a) The partial slowdown or complete cessation of your business activities.”

21. “Period of Restoration” means:

... the period of time that:

- a. Begins with the date of direct physical loss or physical damage caused by or resulting from a Covered Cause of Loss at the “scheduled premises”, and
- b. End on the date when:

- (1) The property at the 'scheduled premises' should be repaired, rebuilt or replaced with reasonable speed and similar quality;
- (2) The date when your business is resumed at a new, permanent location.

22. Additionally, under the Policy, Defendants also promised to cover "Extended Business Income." This coverage requires Defendants to pay for loss of business income beyond the Period of Restoration under certain conditions.

23. Specifically, Defendants promised to pay for the actual loss of Business Income during the period that begins on the date that the insured property is repaired, and ends either 30 days thereafter or on the date when operations are restored to the level which would generate business income at normal levels, whichever is earlier.

24. The Policy also provides a coverage for extra expenses in a section titled "Extra Expense." Pursuant to this section of the Policy, Defendants promised to pay for "reasonable and necessary Extra Expense you incur during the 'period of restoration' that you would not have incurred if there had been no direct physical loss or physical damage to property at the 'scheduled premises.'"

25. Defendants also promised to cover "Business Income from Dependent Properties" under the Policy. Subject to limits of insurance, this coverage requires Defendants to "pay for the actual loss of Business Income you sustain due to direct physical loss or physical damage at the premises of a dependent property."

26. The Policy also provides "Civil Authority" coverage for "the actual loss of Business Income you sustain when access to your 'scheduled premises' is specifically prohibited by order of a civil authority as the direct result of a Covered Cause of Loss to property in the immediate area of your 'scheduled premises'." This coverage begins "72 hours after the order of a civil

authority and coverage will end at the earlier of: (a) When access is permitted to your ‘scheduled premises’; or (b) 30 consecutive days after the order of the civil authority.”

27. The Civil Authority coverage is an independent basis for business interruption coverage that can be triggered even when the standard business interruption coverage is not.

28. Plaintiff’s Policy does not contain any exclusion that would apply to allow Defendants to deny coverage for losses caused by the interruption of Plaintiff’s business and the actions of civil authorities.

29. The Policy does not contain any exclusion which would apply to allow Defendants to completely deny coverage for losses caused by COVID-19 and related actions of civil authorities taken in response to COVID-19.

30. Because the Policy is an all-risk policy and does not exclude Plaintiff’s losses, Plaintiff’s losses are covered up to the applicable limits of insurance.

B. *The COVID-19 Pandemic*

31. COVID-19 is a novel coronavirus that originated in Wuhan, China at the end of 2019 and rapidly spread around the world, infecting millions of people, including over 2.15 million Americans. Over 118,000 Americans have died due to COVID-19.

32. COVID-19 is a physical substance that can cause lethal illness. COVID-19 can be present outside the body in viral fluid particles. COVID-19 is highly contagious and easily communicable through droplets in the air and on surfaces.

33. The scientific community, and those personally affected by the virus, recognize COVID-19 as a cause of real physical loss and damage. Contamination of the Insured Property would be a direct physical loss requiring remediation to clean the surfaces within the Insured Property.

34. COVID-19 remains capable of being transmitted on a variety of inert physical surfaces for various periods of time. For example, reports issued by the National Institute of Health (“NIH”) indicates that COVID-19 remains stable and transmittable in airborne aerosols for up to three hours, on copper for up to four hours, on cardboard for up to 24 hours, and on plastic and stainless steel for up to two to three days. Moreover, the COVID-19 pandemic has been exacerbated by the fact that the virus physically infects and stays on surfaces of some objects or materials for up to 28 days.

35. The Center for Disease Control (“CDC”) has issued guidance recommending people not to gather in groups larger than 10. Pursuant to CDC guidelines, people face increased danger of contracting COVID-19 in places where people congregate and are in close proximity to one another, and especially in indoor environments.

36. COVID-19 has been transmitted in a variety of ways, including transmission (a) by way of human contact with surfaces and items of physical property; (b) by human to human contact and interaction, including places like bars and restaurants, retail stores, and hair and beauty salons, and the like; and (c) through airborne particles emitted into the air and even recirculated through air conditioning units.

37. The presence of COVID-19 particles renders physical property unsafe and impairs its value, usefulness, and/or normal function, causing direct physical harm to property and resulting in direct physical loss and physical damage to property.

38. The presence of COVID-19 particles and/or the presence of persons infected with COVID-19 or carrying COVID-19 particles at premises renders the premises unsafe, thereby impairing the premises’ value, usefulness, and/or normal function, and resulting in direct physical loss to and of the premises and property.

C. The Covered Cause of Loss

39. The presence of COVID-19 has caused civil authorities throughout the country to issue orders requiring the suspension of business at a wide range of establishments, including civil authorities with jurisdiction over Plaintiff's business (the "Closure Orders").

40. As of the date this complaint is filed, Washington had over 35,000 total positive cases of COVID-19.

41. In response to the public health emergency caused by the COVID-19 pandemic, civil authorities across the United States, including the civil authorities with jurisdiction over Plaintiff in Washington, have issued Closure Order restricting and prohibiting access to Plaintiff's insured property and the insured properties of other putative class members.

42. Washington Governor Inslee issued the first COVID-19 emergency proclamation on February 29, 2020. It directed state agencies and departments to utilize state resources and do everything reasonably possible to assist affected communities responding to and recovering from COVID-19 cases. It also allowed the use of the Washington National Guard, if necessary.

43. Between March 13, 2020 and March 23, 2020, Governor Inslee issued orders closing public schools and placing limits on public gatherings, shutting down restaurants and bars, and ultimately prohibiting all people in Washington State from leaving their homes or participating in gatherings of any kind regardless of the number of participants, and all non-essential businesses in Washington State from conducting business. Washington's "Stay Home, Stay Healthy" orders remained in effect for several months and, although some gradual easing of restriction began to occur at the end of April and through May and June 2020, most restrictions (including those on Plaintiff's business) remained in effect through at least May 31, 2020. *See* WA Proclamation 20-25.3.

44. Closure Orders entered by municipal and county governments throughout Florida recognize that COVID-19 poses a threat to the loss of property.

45. Closure Orders containing statements recognizing that COVID-19 causes business income loss and loss of property and property damage have been issued by many Florida counties, including Broward, Escambia, Gadsden, Hillsborough, Martin, Orange, Osceola, Pinellas, St. Lucie, and Walton Counties. *See* Broward Cnty. Administrator’s Emergency Order 20-01 (“this Emergency Order is necessary because of the propensity of the virus to spread person to person and also because the virus is *physically causing property damage* due to its proclivity to attach to surfaces for prolonged periods of time.”); Escambia Cnty. Res. 2020-37 (“COVID-19 and infection diseases have the capacity to pose a significant, imminent, and dangerous threat to the health, safety, and welfare of the inhabitants of Escambia County, Florida, visitors and tourists to Escambia County, Florida, *as well as to their real and personal property . . .* the COVID-19 virus has the propensity to attach to surfaces for prolonged periods of time, *thus causing property damage* and continuing the spread of the virus.”) (emphasis added); Gadsden Cnty. Res. 2020-014 (“there is reason to believe that COVID-19 is spread amongst the population by various means of exposure, including the propensity to spread person to person and the propensity to attach to surfaces for prolonged periods of time, thereby spreading from surface to person and causing increased infections to persons, *and property loss and damage* in certain circumstances.”) (emphasis added); Hillsborough Cnty. Exec. Order dated March 27, 2020 (stating COVID-19 is “creating property or business income loss and damage”); Martin Cnty. Emergency Order 20-04 (stating COVID-19 is “creating property or business income loss and damage”); Orange Cnty. Emergency Executive Order No. 2012-12 (stating that “COVID-19 is spread amongst the population by various means of exposure, including the propensity to spread person to person and

the propensity to attach to surfaces for prolonged periods of time, thereby spreading from surface to person and causing increased infections to persons”); Osceola Cnty. Emergency Order No. 2 (stating COVID-19 causes a “serious threat to life *and property* within the County”) (emphasis added); Pinellas Cnty. Res. 20-20 (stating COVID-19 causes “property loss and damage”); St. Lucie Cnty. Order dated March 31, 2020 (“COVID-19 is causing property damage and business income loss due to its proclivity to attach to surfaces for prolonged periods of time and thereby creating a dangerous physical condition; and [a]s a governmental civil authority action, it is necessary to impose the regulations and restrictions set forth herein in response to the dangerous physical conditions that currently exist and to stop the COVID-19 virus from spreading.”); Walton Cnty. Resolution 2020-10 (“the novel coronavirus physically is causing property damage due to its proclivity to attach to surfaces for prolonged periods of time.”).

46. Closure Orders containing similar statements recognizing that COVID-19 causes business income loss and loss of property and property damage have also been issued by many Florida municipalities, including City of Aventura, City of Coral Springs, Town of Indian Shores, City of Lauderdale Lakes, City of Miami, City of North Miami, City of Oakland Park, City of Sarasota, and City of Venice. *See* City of Aventura Order dated March 24, 2020 (explaining the COVID-19 “virus physically is causing property damage due to its proclivity to attach to surfaces for prolonged periods of time”); City of Coral Springs Emergency Order 2020-11 (“COVID-19 attaching to surfaces contaminates the area and therefore also causes property damage . . . the virus physically is causing property damage”); Town of Indian Shores Resolution 05-2020 (“the COVID-19 virus has the propensity to attach to surfaces for prolonged periods of time, thus causing property damage and continuing the spread of the virus.”); City of Lauderdale Lakes Emergency Order 2020-01 (“the virus physically is causing property damage due to its proclivity

to attach to surfaces for prolonged periods of time.”); City of Miami Decl. of a State of Emergency dated March 26, 2020 (“COVID-19 may be spread amongst the population by various means of exposure, including the propensity to spread person-to-person and the propensity to attach to surfaces for prolonged periods of time, thereby spreading from surface to person and causing property loss and damage in certain circumstances”); City of North Miami “Safer at Home” Emergency Order (“this Order is given because of the propensity of the virus to spread person to person and also because the virus is physically causing property damage due to its proclivity to attach to surfaces for prolonged period of time.”); City of Oakland Park Proclamation 2020-002 (“This Order is given because of the propensity of the virus to spread person to person and also because the virus physically is causing property damage due to its proclivity to attach to surfaces for prolonged period of time.”); City of Sarasota Emergency Order dated May 1, 2020 (“the COVID-19 virus has the propensity to attach to surfaces for prolonged periods of time, thus causing property damage and continuing the spread of the virus”); City of Venice Executive Order 2020-01 (“COVID-19 has the propensity to attach to surfaces for prolonged periods of time, thus causing property damage and continuing the spread of the virus”).

47. Some state courts have already agreed with Plaintiff’s position that physical loss and damage exists resulting in coverage here. *See Friends of DeVito, et. al v. Wolf*, No. 68 MM 2020 (Pa. April 13, 2020).

48. Furthermore, orders issued in states such as New York, Colorado, Washington, Indiana, New Mexico, North Carolina, Missouri, and Illinois have all recognized that COVID-19 poses a specific threat to property and can cause property loss and damage.

49. For example, Proclamation 02-25 by Washington Governor Inslee, which proclaimed a State of Emergency for all counties through the state of Washington as a result of the

COVID-19 outbreak on March 23, 2020, repeatedly recognizes that the virus can cause “impacts to . . . property.” Additional orders by Governor Inslee reinforce that COVID-19 is a “public disaster affecting . . . property.” *See, e.g.*, Proclamation 20-39.

50. The Closure Orders issued by civil authorities covering non-essential businesses in Florida and Washington (such as Plaintiff’s) are similar to Closure Orders that have been issued nationwide by state and local civil authorities.

51. The presence of COVID-19 caused direct physical loss of and/or damage to the Insured Property under the Policy by, among other things, damaging the property, denying access to the property, preventing customers and patients from physically occupying the property, causing the property to be physically uninhabitable by customers and patients, causing its function to be nearly eliminated or destroyed, and/or causing a suspension of business operations on the premises.

52. The Closure Orders of civil authorities prohibited access to Plaintiff and other class members’ Insured Properties, and the areas immediately surrounding the Insured Properties, in response to dangerous physical conditions resulting from a covered cause of loss.

53. As a result of the presence of COVID-19 and the Closure Orders, Plaintiff and other class members sustained a suspension of business operations, sustained losses of business income, and incurred extra expenses. Plaintiff has also sustained business income losses due to direct physical loss or physical damage at the premises of dependent properties.

54. Plaintiff’s losses and expenses have continued through the date of filing this action.

55. Plaintiff’s losses and expenses are not excluded from coverage under the Policy. Because the Policy is an all-risk policy and Plaintiff has complied with its contractual obligations, Plaintiff is entitled to payment for these losses and expenses.

56. Consistent with the terms and procedures of the Policy, Plaintiff submitted a claim for loss to Defendants under the Policy due to the presence of COVID-19 and the shutdown Civil Authority orders.

57. In violation of the Policy's plain language and its own contractual obligations, Defendants denied Plaintiff's claim and refuse to pay for Plaintiff's losses and expenses.

CLASS ACTION ALLEGATIONS

58. Plaintiff brings this action pursuant to Rules 23(a), 23(b)(1), 23(b)(2), 23(b)(3), and 23(c)(4) of the Federal Rules of Civil Procedure, individually and on behalf of all others similarly situated. This action satisfies the numerosity, commonality, typicality, adequacy, predominance, and superiority requirements of those provisions.

59. Plaintiff seeks to represent nationwide classes defined as:

- a. All persons and entities with Business Income coverage under a property insurance policy issued by Defendants that suffered a suspension of business due to COVID-19 at the premises covered by the business income coverage (the "Business Income Declaratory Judgment Class").
- b. All persons and entities with Civil Authority coverage under a property insurance policy issued by Defendants that suffered loss of Business Income and/or Extra Expense caused by a Closure Order (the "Civil Authority Declaratory Judgment Class").
- c. All persons and entities with Extra Expense coverage under a property insurance policy issued by Defendants that sought to minimize the suspension of business in connection with COVID-19 at the premises covered by their property insurance policy (the "Extra Expense Declaratory Judgment Class").

- d. All persons and entities with Business Income from Dependent Properties coverage under a property insurance policy issued by Defendants that suffered an actual loss of Business Income caused by direct physical loss or physical damage at a dependent property or properties (“the Business Income from Dependent Properties Declaratory Judgment Class”).

60. Excluded from each defined Class are Defendants and any of their members, affiliates, parents, subsidiaries, officers, directors, employees, successors, or assigns; governmental entities; and the Court staff assigned to this case and their immediate family members. Plaintiff reserves the right to modify or amend each of the Class definitions, as appropriate, during the course of this litigation.

61. This action has been brought and may properly be maintained on behalf of each Class proposed herein under the criteria of Rule 23 of the Federal Rules of Civil Procedure.

62. **Numerosity—Federal Rule of Civil Procedure 23(a)(1).** The members of each defined Class are so numerous that individual joinder of all Class Members is impracticable. While Plaintiff is informed and believes that there are thousands of members of each Class, the precise number of Class Members is unknown to Plaintiff but may be ascertained from Defendants’ books and records. Class Members may be notified of the pendency of this action by recognized, Court-approved notice dissemination methods, which may include U.S. Mail, electronic mail, internet postings, and/or published notice.

63. **Commonality and Predominance—Federal Rule of Civil Procedure 23(a)(2) and 23(b)(3).** This action involves common questions of law and fact, which predominate over any questions affecting only individual Class Members, including, without limitation:

- a. Defendants issued all-risk policies to the members of the Class in exchange for payment of premiums by the Class Members;
- b. whether the Class suffered a covered loss based on the common policies issued to members of the Class;
- c. whether Defendants wrongfully denied all claims based on COVID-19;
- d. whether Defendants' Business Income coverage applies to a suspension of business caused by COVID-19;
- e. whether Defendants' Civil Authority coverage applies to a loss of Business Income caused by the orders of state governors requiring the suspension of business as a result of COVID-19;
- f. whether Defendants' Extra Expense coverage applies to efforts to minimize a loss caused by COVID-19;
- g. whether Defendants' Business Income from Dependent Properties coverage applies to a loss of income caused by loss or damage to dependent properties;
- h. whether Defendants have breached their contracts of insurance through a blanket denial of all claims based on business interruption, income loss or closures related to COVID-19 and the related closures; and
- i. whether Plaintiff and the class are entitled to an award of reasonable attorney fees, interest and costs.

64. **Typicality—Federal Rule of Civil Procedure 23(a)(3).** Plaintiff's claims are typical of the other Class Members' claims because Plaintiff and the other Class Members are all similarly affected by Defendants' refusal to pay under their Business Income, Civil Authority, Extra Expense, and Business Income from Dependent Properties coverages. Plaintiff's claims are

based upon the same legal theories as those of the other Class Members. Plaintiff and the other Class Members sustained damages as a direct and proximate result of the same wrongful practices in which Defendants engaged.

65. **Adequacy of Representation—Federal Rule of Civil Procedure 23(a)(4).** Plaintiff is an adequate Class representative because its interests do not conflict with the interests of the other Class Members who it seeks to represent, Plaintiff has retained counsel competent and experienced in complex class action litigation, including successfully litigating class action cases similar to this one, where insurers breached contracts with insureds by failing to pay the amounts owed under their policies, and Plaintiff intends to prosecute this action vigorously. The interests of the above-defined Classes will be fairly and adequately protected by Plaintiff and their counsel.

66. **Inconsistent or Varying Adjudications and the Risk of Impediments to Other Class Members' Interests—Federal Rule of Civil Procedure 23(b)(1).** Plaintiff seeks class-wide adjudication as to the interpretation, and resultant scope, of Defendants' Business Income, Civil Authority, Extra Expense, and Business Income from Dependent Properties coverages. The prosecution of separate actions by individual members of the Classes would create an immediate risk of inconsistent or varying adjudications that would establish incompatible standards of conduct for the Defendants. Moreover, the adjudications sought by Plaintiff could, as a practical matter, substantially impair or impede the ability of other Class Members, who are not parties to this action, to protect their interests.

67. **Declaratory and Injunctive Relief—Federal Rule of Civil Procedure 23(b)(2).** Defendants acted or refused to act on grounds generally applicable to Plaintiff and the other Class Members, thereby making appropriate final injunctive relief and declaratory relief, as described below, with respect to the Class Members.

68. **Superiority—Federal Rule of Civil Procedure 23(b)(3).** A class action is superior to any other available means for the fair and efficient adjudication of this controversy, and no unusual difficulties are likely to be encountered in the management of this class action. Individualized litigation creates a potential for inconsistent or contradictory judgments and increases the delay and expense to all parties and the court system. By contrast, the class action device presents far fewer management difficulties, and provides the benefits of single adjudication, economy of scale, and comprehensive supervision by a single court.
